

# Wrangler® 10% All Stock Sweet

**Product Purpose:** This feed is designed as a supplement to pasture and hay for adult maintenance horses, beef and dairy cattle, and sheep and goats.

## **Product Features:**

- Economical feed for multiple species
- 10% crude protein
- 25% crude fiber

## **Feeding Directions:**

- This feed is designed as a supplement to pasture and hay.
- Introduce this and all feeds slowly over a 7-10 day period to all species.
- Provide free access or 1-2 lb. of good quality hay or free access to forage on pasture.
- Provide plenty fresh clean water at all times and mineral supplementation as needed.

**Adult maintenance horses:** Feed at rate of 0.75 to 1.5 lb. per 100 lb. bodyweight per day depending upon body condition and amount of work or exercise. Provide free access to 1-2 lb. of good quality hay or forage.

**Weaned cattle:** Feed at rate of 1-3% of bodyweight depending upon body condition and desired rate of gain. Provide adequate amounts of good quality hay or pasture.

**Goats and sheep:** Feed at rate 1-2 lb. per 100 lb. bodyweight per day. Provide good quality hay or pasture.

**NOTE:** Contains no added Copper.

*CAUTION: Store feed in a clean, cool and dry location. Storage area should be free of insects and rodents. Do not allow animals access to feedstuffs that show signs of insect or rodent infestation. Do not allow animals access to hot or moldy feedstuffs at any time.*

## **Product Information:**

- Product code  
95300 – 50 lb.  
Textured
- UPC 7-22304-28399-5

## **Product Packaging:**

## **Product Form Description:**

Textured—contains a coarse blend of cleaned grains and molasses for increased palatability and animal acceptance. Many textured products will also contain pellets that carry the protein, vitamins, and minerals.
