

Wrangler[®] 12% All Stock Pellet

Product Purpose: This feed is designed as a supplement to pasture and hay for maintenance horses, beef and dairy cattle, sheep, and goats.

Product Features:

- Economical feed for multiple species
- 12% crude protein
- 25% crude fiber

Feeding Directions:

- This feed is designed as a supplement to pasture and hay.
- Introduce this and all feeds slowly over a 7-10 day period to all species.
- Provide free access or 1-2 lb. of good quality hay or free access to forage on pasture.
- Provide plenty fresh clean water at all times and mineral supplementation as needed.

<u>Adult maintenance horses</u>: Feed at rate of 0.75 to 1.5 lb. per 100 lb. bodyweight per day depending upon body condition and amount of work or exercise. Provide free access to 1-2 lb. of good quality hay or forage.

<u>Cattle</u>: Feed weaned cattle at the rate of 1 to 3% of bodyweight depending upon body condition and desired rate of gain. Provide adequate amounts of good quality hay or pasture and plenty of fresh, clean water at all times.

<u>Goats and sheep</u>: Feed at rate 1-2 lb. per 100 lb. bodyweight per day. Provide good quality hay or pasture.

NOTE: Contains no added Copper.

CAUTION: Store feed in a clean, cool and dry location. Storage area should be free of insects and rodents. Do not allow animals access to feedstuffs that show signs of insect or rodent infestation. Do not allow animals access to hot or moldy feedstuffs at any time.
